

# ATEN Video Matrix Control App

Turn your mobile phone into a remote control for ATEN Video Matrix Switches

- The ATEN Video Matrix Control App is a free app that supports iOS and Android operating systems.

This mobile app provides intuitive operation with direct access to manage ATEN (Modular) Video Matrix Switches anytime, anywhere to make AV matrix control even easier than before.

iOS: 12.0 or later

Android: 6.0 or later

## Features

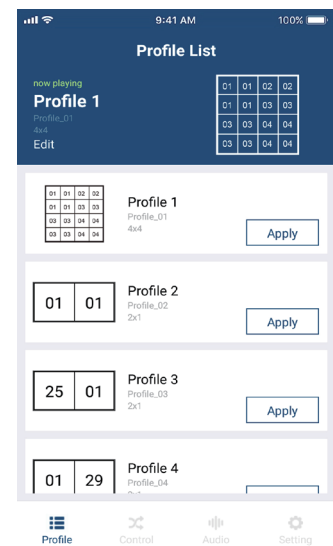

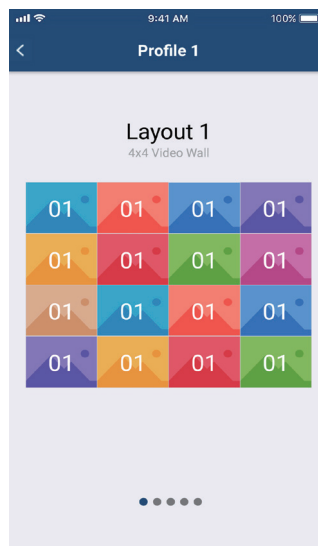

### Simple Login

Auto search for devices and tap any Video Matrix Switch to log in.

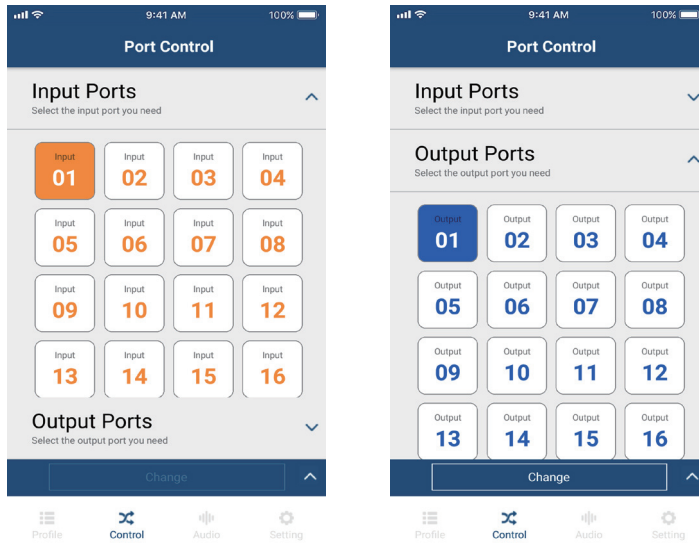

### Easy Profile Change

Flick between multiple layouts instantly. View and apply a new profile via visualized Profile ID.

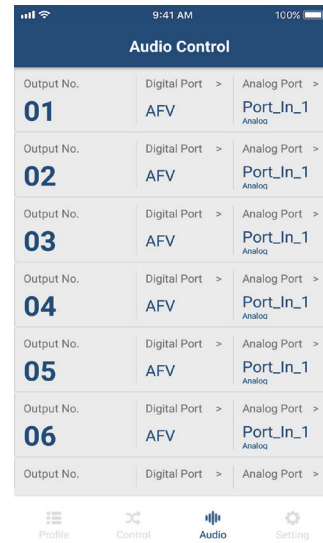

### Instant Source Switching

Switch input sources on-the-go via graphical layout preview.

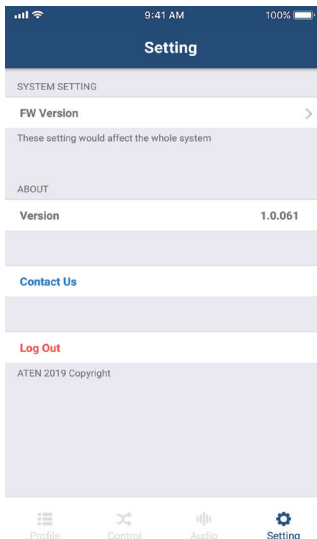

### Audio Control

Turn on/off or embed/de-embed audio with ease.

### Firmware Update Reminder

Keeps you posted about the latest updates.

**Note:** The supported features differ by models. For detailed information, please check the user manual.

Product information is subject to change without prior notice.
